**Bremond & Associés, Gate Avocats, Eight Advisory and Aextensia Corporate Finance on the tie-in of Polymont and Carmin**

After several month of negotiations, Carmin enters into the share capital of Polymont. In 2015, the Polymont group, Consultant in Digital and Industrial engineering areas, registered in 5 countries, generated a € 80M turnover and employed more than 1000 associates. As for the Carmin group, the latter is specialized in consulting, asset management and financial services.

This operation was facilitated, in particular, thanks to the recent ruling of the Commercial Court of Paris which settled a recovery plan (*plan de redressement*) to the benefit of one of the group's subsidiaries.

*« Both the common efforts of the managerial staff and a close co-operation between the different teams involved at their side enabled this recovery »* Guilhem Bremond declared.

**Bremond & Associés**, led by Guilhem Bremond, Virginie Verfaillie Tanguy and Morgane Valla was Polymont group's legal advisor on *restructuring* matters, **Gate Avocats**, led by *Arnaud Larousse* advised the group on corporate issues, **Eight Advisory** through *Cédric Colaert*, *Nicomas Frigeri* and *Florian Rubin* as well as **Aextensia Corporate Finance** with *Arnaud Fieffe* were mandated on financial issues.
